

30 Fun Ways to explore Aldeburgh's Heritage

# ARTS AWARD DISCOVER

We hope you have enjoyed the activity sheets.

Complete this sheet to achieve an Arts Award Discover qualification.

## Part A

### 1 - Exploring Art forms

Paintings, music and sculpture are three types of art form, but there are many more.

Explore your local area and see how many different types of art form you can find. Draw or write the art forms you have found on the sheet below.

### 2- Take part in an arts activity.

Using the activity sheets, choose one arts activity to have a go at. Will you decide to make a clay pot or even create a bird mask? Describe what you did (and even add a photograph) below.

## Part B

### Explore an artist

Who is your favourite artist? It could be an author, a pop star or an animator. Add your top 5 facts about the artist below.

## Part C

### Share

Now it is time to share what you have created with somebody close to you.

You could create a short presentation to family and tell them what you have created and how.

You might share to wider family and friends through a video call.

You could even create a poster about what you did to stick in your window.

Let us know how you shared your creations below.

Thank you – you have now completed Arts Award Discover
